The Details

Submit your nomination(s) for the 2009 WMIA Wooden Globe Award and if your customer wins, we will take you to Vermont so you can present the award yourself at the gala dinner with the national trade press. Your customer wins! You win!

Read the rules, and nominate one or more candidates. If one of your nominees is chosen, we will award you with trip to attend the WMIA Fall meeting held in Woodstock, Vermont, October 20, 2009 where you will be invited to introduce your award winner.

Nominees are eligible if they have not previously won. In order to win, you must help your nominee fill out a one-page questionnaire. If more than one entry is received for the same company, the earliest entry will be declared the winner. The WMIA Wooden Globe Awards are arguably the most prestigious awards presented in the woodworking industry today.

How to Enter

Remit your postcards to WMIA Headquarters by June 15, 2009. Direct Questions and submissions to Rainey Smick:
